Timely & Trusted

When you value excellence, Bowers & Company CPAs is there for you.

WHAT WE DO

Bowers & Company CPAs is an accounting and financial services team of certified public accountants, tax experts, and financial planners who will walk you through challenging financial decisions with ease.

WHO WE ARE

Our team is composed of over 90 financial professionals in the areas of accounting, auditing, taxation, business valuation, financial planning services, fraud examination and consulting.

WHO WE SERVE

Our industry-specific services allow us to tailor strategies to our clients' precise needs. We work in partnership with our clients with the goal of becoming a trusted ally in the success of their business.

Check Out Our New & Improved Website

After investing a lot of hard work and dedication thanks to our amazing team, we are excited to announce the launch of our new website at www.bcpllc.com.

With a focus on an improved, user-friendly experience, our new website offers the latest news and resources for our clients and features a design that reflects our culture here at Bowers. The site is easy to navigate and includes many new features that will provide a streamlined browsing experience based on each user's specific needs.

In addition to Services Offered and Industries Served, the new site features Resources, the tailored ability to sign up for our Newsletters, as well as our Social Media connections including [LinkedIn](#), [Facebook](#), [Twitter](#) and [YouTube](#). Our goal is to improve digital communications within the communities we serve. We will use these additional platforms to provide our clients and visitors with the most accurate, up-to-date accounting and finance information.

A Note for our Current Clients: The functionality of the [Payroll Login](#) and the [Client Portal Login](#) will remain the same from our old site to our new site.

As you explore our new site, please send us any questions and feedback you may have. We want this improved website to be your new destination for all things accounting and finance.

Audit Partner Named 2020 Rising Star

Nicole Teska Is Making a Difference in the Railroad Industry

Congratulations to our very own **Nicole M. Teska** who has been selected as a 2020 Rising Star of the North American railroad industry by Progressive Railroading magazine!

Defined as someone under the age of 40 who is making a positive impact on her team and is viewed by others as an up-and-coming leader in the rail industry, Nicole was an obvious candidate for the Rising Stars nomination. She was given the Rising Star recognition based on her contributions to the railroad industry, as well as her career achievements, demonstrated leadership and professional association activity.

As an Audit Partner here at Bowers & Company CPAs since 2016, Nicole handles many of our Short Line Railroad clients and is a member of the American Short Line & Regional Railroad Association (ASLRRA). She has attended Railroad Day on the Hill on multiple occasions to participate in face-to-face lobbying meetings with Congress members, and serves on numerous ASLRRA committees including:

- Audit and Internal Control Committee, Chairperson
- Finance and Administration Committee
- Young Professionals Committee
- Legislative Policy Committee

Congratulations Nicole!!

Service Spotlight

10 Reasons Why You Should Use QuickBooks

QuickBooks is the ideal business accounting software for small to mid-sized business owners.

Whether your needs are QuickBooks Set-up, Training, Conversion from Desktop to Online, File Clean-up or Processing Payroll through QuickBooks, at B&C Accounting Services we have several Certified QuickBooks ProAdvisors who can help you.

Check Out Our Recent Webinars

Review of Families First Coronavirus Response Act

In this March 27 webinar, David Ayoub and David Herring review the Families First Coronavirus

Response Act and how it impacts businesses.

This new law is meant to be a partial response to the economic impacts of the ongoing 2019-20 coronavirus pandemic. The presenters discuss what is covered by the bill and its tax impacts on business owners.

Reviewing the Paycheck Protection Program (PPP) of the CARES Act

In this April 2 webinar, Bob Teska reviews and provides highlights of the Paycheck Protection Program (PPP), the broad lending program passed as part of the Coronavirus Aid, Relief and Economic Security Act (CARES Act).

Bob talks about Small Business Administration Assistance, specifically the PPP Loans that are 100% federally guaranteed and available through June 30, 2020. If employers maintain their payroll, the loans can be forgiven.

Review the Tax Provisions of the CARES Act

In this April 3 webinar, David Ayoub, David Herring and Nick Agrippino review the CARES Act, specifically the Tax Provisions for both individuals and businesses included in the Coronavirus Aid, Relief and Economic Security Act (CARES Act).

According to David Ayoub, the new law has great features as well as excellent enhancements to existing tax laws that offer benefits for the current year as well as better results for prior years. This new tax law is meant to decrease tax liabilities and leave more cash in the hands of businesses and individuals.
